DEPARTMENT OF INSURANCE,

OTTAWA, March 11, 1914.

SIR,—I have the honour to enclose herewith an Abstract of the business of Insurance in Canada for the year 1913.

The Abstract has been made from the attested statements returned by the companies, but must be considered as subject to correction. I shall have the honour to report to you at a subsequent date these statements in full, after making the usual inspection at the head offices.

I have this year obtained three independent quotations of the market values of all bonds, debentures and stocks held by all insurance companies licensed by this Department and the averages of such quotations have been taken as the true market values. In the case of the fire and miscellaneous companies, these market values have been used in the following tables. In the case of the life insurance companies complete quotations were not obtained in time for insertion in this Abstract, and the values herein contained are those returned by the respective companies. All market values obtained from the independent quotations will however appear in the full report to be issued at a later date.

I have the honour to be, Sir,

Your obedient servant,

W. FITZGERALD,

Superintendent of Insurance.

Hon. W. T. WHITE,

Minister of Finance.
